

Home Based 25hrs per week - Profit \$400,000 -
NO STAFF

Queensland

Highly Profitable with systems in place for ease of operation.

This business provides the Laidback Owner with a generous return on their Investment, year in - year out.

Nothing further to spend, just walk in and make money from day one.

The owner doesn't take part in the daily operations and works very minimal hours per week on general admin only.

Very Popular service based business with constant repeat customers

You will love coming to work every day as its stress free and a happy environment inter-acting with the direct income generators who make you MONEY.

This is similar to receiving...
