

HUGE PRICE REDUCTION - SOLD

Caloundra West

The Sellers are serious about a sale, and have priced accordingly! Here is your opportunity to own a simple to operate pizza takeaway on the Sunshine Coast.

Located smack bang amongst the quickest growing precinct on the Coast, this pizza and pasta business has established itself with the locals, and with the Coasts newest residential development a stone's throw away and completing the first stage of some 20,000+ new homes, it's fair to say the opportunity for further growth is an understatement.

Serving a mix of classic and modern pizzas on homemade dough, fresh pasta and chicken schnitzels...
