

## MUNNA BEACH - TOP FLOOR

**43 / 291 Gympie Terrace, Noosaville**

After 15 years, this apartment has finally hit the market. Only 100 metres from Noosa River, with shops, parks and some of Noosa`s best restaurants close by. Situated on the top floor of the complex in an idyllic part of the resort, these long time owners have enjoyed many years of solid returns, along with great holidays. This is a large apartment with nothing left to do. It is airconditioned, and there is a pool and BBQ facilities on site. Walk across the road to the white sandy beach on the river for a swim, or just take a stroll along Noosa river.
