

Noosa Restaurant Template Presents Itself for Sale

Noosa Heads

With a concept of meticulously prepared and presented, simple food and consistent hospitable service, this venue has become the market leader in the Eclectic Noosa Dining Scene

A reputation built on impeccable surroundings and service, with a relaxed atmosphere. A great opportunity presents itself to create your own them or concept from this template of possibilities.

Strategically positioned in a discreet Village atmosphere surrounded by other impeccable establishments, stumbling across this destination restaurant is an absolute Goldmine. Currently themed, however, could be anything you...
