

Industry Leader in QLD - \$22mill TURNOVER

Maroochydore

With more than 35 years of successful operation and with highly reliable staff in place, this business provides solutions for Industrial, Commercial, Agriculture and Domestic applications and can easily be run under management.

As a supplier to government in the region as well as builders, contractors and commercial customers this business enjoys a diversified client base and multiple revenue streams.

Management team and workforce will remain in place as required. This is a very experienced, well trained team in both Sales and Marketing and the Operations.

Fully Systemised with Production...
