

## Classic Beach Front, Sunshine Coast Fish & Chipper for Sale

### Caloundra

Position does not get any better than this. A Stone's throw away from the sand and Seagull heaven.

Situated just metres from one of the Sunshine Coasts Prime Beach Holiday Destinations, this absolutely highly regarded and consistent Fish and Chipper business is finally on the market.

With nothing more Australian, than sitting at the beach with a fab wrapped parcel of Fish and chips, this family ritual epitomises the Classic Culture and value of every perfect Queensland Holiday.

Stunningly presented and recently refurbished this opportunity has been fastidiously prepared for the next incoming...
