

## Passive Hire Business - Under Contract

### Kunda Park

It is difficult to find reputable business opportunities on the Sunshine Coast...let alone one that delivers passive returns.

With over 30 years trading history and blue-chip clientele, this fully managed business ticks all the boxes.

Most of the clientele are long term and have contracts in place, delivering an impressive passive income stream.

A leader in their industry, this highly systemised business has long term managers in place, allowing new owners total flexibility and options to invest as much or as little time in the business as they choose.

Rarely do we see such a blue chip...
