

Motivated Vendors - Prime River Front Restaurant for Sale Sunshine Coast QLD

Noosaville

Handsomely positioned with a commanding view of the ever-popular Noosa River. This established diner has always been a strong performer amongst other venues and continues to outperform from this legendary site on the famous Gympie terrace.

Respectfully presented and always the spot on visitors lips, this venue is now available for the first time in many years as the founders are looking to hang up their aprons.

With the focus being a light intimate dining room, this restaurant compliments this holiday destination by providing an airy casual outdoor dining area to enjoy the balmy summer...
