**423 / 32 Hastings Street, Noosa Heads**

This stylish Hastings Street resort, commonly known as 'The Sebel Noosa' can claim to be one of Noosa's most elegant holiday destinations. Just across from the famous Noosa Main Beach. It is located on the middle floor looking over the river. Neutral tones and clear lines dominate the interior of the apartment, and with more than 100m<sup>2</sup> in size, it's one of the largest in the complex. There is no need to leave the apartment to watch the world-famous Noosa Triathlon! Good rental returns, tax benefits and long-term capital appreciation.

- A rare opportunity to buy the biggest 2 bed floor...
